

Casino Night 2012
a collaborative fundraiser for We Care Manatee and the
Manatee County Medical Society

Saturday, February 4, 2012
6:00-10:00pm at IMG Golf & Country Club

Since 1906, the Manatee County Medical Society has been working to guard and foster the mutual interest of their member physicians and to promote high quality health care for patients in this community. In 1999, they had the vision to address the ever increasing problem of access to specialty medical services. It was from this foresight that We Care Manatee, Inc. was created. Today the vision continues serving over 1,000 people annually with over \$400,000 worth of medical services donated through their programs.

In an effort to streamline the fundraising goals, the Manatee County Medical Society and We Care Manatee are joining forces. The proceeds from Casino Night 2012 will be equally distributed to help continue the Manatee County Medical Society and We Care Manatee's programs and services. Please join us!

\$10,000 Jackpot Partner

Your name here!

- 10 tickets to event

If you are unable to sponsor at this time, please consider making a general donation to We Care Manatee. Annually, We Care Manatee serves nearly 1,000 Manatee County residents who are low income and uninsured, receive the medical care they desperately need. We Care not only assists with appointments with physicians, but free diagnostic services, medication and some medical equipment. Please consider supporting the program with a donation to our general fund.
