*Proceeds to Benefit: We Care Manatee, a local nonprofit facilitating free medical care for those in need*

**Dear We Care Manatee Supporter,**

As we swing into fall and begin budgeting for the next fiscal or calendar year, it's also a great time to incorporate ways to help others into your plan. Sponsoring a charitable organization that serves the needy is a meaningful way to make your donation have an even greater impact. Nearly 20% of residents in Manatee County are uninsured and the need for our services continues to grow. We Care Manatee facilitates access to free medical care for uninsured, low-income adults. So, as you plan and budget for future giving, I hope you and/or your organization will keep We Care top of mind and at the top of your list.

Last year, with the help of nearly 90 local volunteer physicians, and a host of community partners, We Care Manatee served more than 1200 area residents in need of one or more of our four primary programs;

- Specialty Physician Referrals
- Pharmaceutical Assistance
- Breast Health & Wellness
- Primary Care Clinic

Other major accomplishments we achieved this past year include;

- Improved and enhanced our computer equipment, infrastructure and IT security
- Hired a new full-time case manager and additional part time staff to support overall growth
- Launched a mobile mammography screening service for increased community outreach
- Strengthened community partner and volunteer provider relationships

None of this would be possible without the generosity and support of individuals and community members like you. We are committed to serving those who need healthcare most, and hope we can count on your continued support to carry out that mission.

Enclosed is information on an upcoming sponsorship opportunity that provides a chance to market and promote your business, as well as lend support to We Care Manatee and those we serve.

**Jan 27, 2018 Rollin' On The River: Casino Night 2018, 6p to 10p, Riverhouse, Palmetto, FL**
